French

Current situation

2017–2018 **Computer science student**, *École normale supérieure*, Paris, France, www.ens.fr.

Curriculum

2016–2017 **Computer science student**, *École normale supérieure*, Paris, France, www.ens.fr.

2014–2015 **Preparatory courses for competitive entrance examination ‘Classes Préparatoires aux Grandes Ecoles’**, *mathematics and physics*, Louis-Le-Grand High School, Paris.
France

2013–2015 **Preparatory courses for competitive entrance examination ‘Classes Préparatoires aux Grandes Ecoles’**, *mathematics and physics*, Louis Barthou High School, Pau.
France

2010–2013 **General Baccalaureate, major in science**, ‘received with honours’, *Louis Barthou High School*, Pau, France.

Achievements

2016 **Passed Ecole normale supérieure entrance examination**, ranked 15th.

2016 **Passed Ecole Polytechnique entrance examination**, ranked 76th, www.polytechnique.edu.

Languages

French **Mother tongue.**
English **Upper intermediate.**
Spanish **Elementary.**
Japanese **Elementary.**

Skills

Computer science **Algorithm, Compiling, Hardware, Formal languages, Calculability and Complexity, Information theory, Lambda calculus and categories, Parallel programming, Network algorithms, Computer vision, Convex and combinatorial optimization, Statistical learning.**

Algebra **Sets, Group theory, Rings, Fields, Vector spaces and Hilbert spaces.**

Analysis **Vector applications defined on \mathbb{R} , Riemann’s integration, Series of functions, Normed vector spaces, Topology and Differential calculus..**

Integration **Lebesgue’s integration and Probabilities (discrete and continuous).**

Physics **Mechanics, Electromagnetism, Thermodynamics, Quantum physics basics.**

Chemistry **Basic knowledge.**

Languages **Objective CAML, Python, \LaTeX , C basics, Rust basics.**

Tools **Unix basics, Git.**

Other activities

Sports **Running, Canyoning.**
Music **Music theory, Guitar, Composition.**

Reference

Tutor **Professor Francis Bach.** Researcher at INRIA Paris and leader of the **SIERRA project-team** within the Computer Science department of Ecole normale supérieure, (*Francis Bach's homepage*).
